# LIFETIME LIMITED POWERTRAIN WARRANTY

provided by

# LIFETIME LIMITED POWERTRAIN WARRANTY

## This Lifetime Limited Powertrain Warranty Program Provides Coverage For:

**ENGINE:** (1) All internally lubricated parts contained within the vehicle's engine, including pistons, piston rings, crankshaft, crankshaft main bearings, connecting rods and rod bearings, camshaft and camshaft bearings, cam followers, timing chain, timing gears, guides, tensioners, rocker arms, rocker arm shafts, hydraulic lifters, rocker bushings, cylinder head valves, valve guides, valve lifters, valve springs, push rods, oil pump, intake and exhaust valves. Seals & gaskets only if required in the repair of a Covered Part. (2) The engine block and cylinder heads, provided the breakdown of the engine block or cylinder heads is caused by the breakdown of a part listed in clause (1) above (does not include any part other than what is supplied in the long block assembly).\*

**TRANSMISSION:** Automatic or Standard Transmission. All internally lubricated parts, plus torque converter, seals & gaskets (if required in repair of a Covered Part), transmission case and housing (if damaged by an internally lubricated part). Manual Transmission clutches, pressure plates, and throw out bearings are not covered. Transfer case (only if damaged by an internally lubricated part) and all its internally lubricated parts, and seals & gaskets (only if required in repair of a Covered Part).\*

**DRIVE AXLE:** Front or rear. All internal parts contained within the drive axle, drive axle case, constant velocity joints, axle bearings, drive axle housing (only if damaged by an internally lubricated part), and seals & gaskets (only if required in repair of a Covered Part).\*

**TOWING ALLOWANCE:** Under this program, you may be reimbursed for towing services up to \$100 in the event of a Breakdown.

\*This brochure is not intended as a complete description of your coverage. For complete details please see your warranty contract.

## Important Warranty Information

- To keep this warranty in effect, you must have the required maintenance performed per the manufacturer's schedule. You must retain receipts and records from an accredited repair facility and provide them if requested.
- If your vehicle has mechanical issues, please find a safe place to pull over and turn off the engine to prevent further damage.
- Call the Warranty Program administration office at (708) 838-2322 for instructions on how to proceed and where to have your vehicle towed.

**DO NOT BEGIN REPAIR WORK ON YOUR VEHICLE UNTIL YOU CALL US FOR AUTHORIZATION.**
